(Our Parent Handbook provides up to date information)

Therapy sessions can be scheduled for 60 minutes, 45 minutes or 30 minutes between one to three times a week. Frequency and duration of therapy is dependent on need, age and attention span. Standard clinic fees for individual speech therapy times are as follows:

Fees are prorated for self-paying clients and in addition we give 3% discount if speech therapy fees are paid in full at the beginning of the month. To qualify for 3% discount client must pay for the full month (partial month attendance does not qualify), pay by check, cash, or money order and payment must be submitted by the first session of the month.

Individualized Speech and Language Therapy Rates
